

WHAT IS DISPLACEMENT, ANYWAY?!

* DISPLACEMENT OCCURS WHEN PEOPLE ARE FORCED TO LEAVE THEIR HOMES UNWILLINGLY.

* YOU CAN BE DISPLACED IN A MATTER OF DAYS. IT CAN BE PREVENTED IF YOU SEE IT COMING.

TELLTALE SIGNS OF EVENTUAL DISPLACEMENT:

- deteriorating conditions in your area.
- landlord has abandoned your building.
- decreased services, but increased rents.
- turnover in ownership of buildings.

WE MUST RESIST BY MASS ORGANIZATION WITHIN THE NEIGHBORHOOD.
